Pawction

December 2, 2023

Pawction is our annual Online Auction, which has been expanded with the move to our State-of-the-Art Adoption center to include an in-house experience with wine tasting, tours of our facility, appetizers, games and more!

In 2022, the West Suburban Humane Society found forever homes for more than 500 animals. For a 'typical' rescue, our average cost is \$500 per animal. But because our team goes above and beyond to give every rescue their forever home, our costs often exceed those numbers. Many animals require medical attention, surgery due or extra attention and training so that they can be socialized and ready to join their new families.

Please Join us as a Sponsor for our Wine Tasting and Online Auction
